ABOUT

I graduated from **Grand View University in 2019 with a Bachelors degree in Graphic Design.** I worked as an intern for Meredith Corporation while finishing up my degree. I have been learning web development in my free time for about a year and I'm excited to make the next step in my career.

EXPERIENCE

Student — NuCamp Web Development Bootcamp

April 2020 - December 2020

To learn web development I signed up for an online bootcamp and completed my assignments after work. The classes specifically taught me HTML5, CSS3, ES6 Javascript, Bootstrap, React, NPM and Github for version control.

Graphic Artist — Doll Distributing

May 2019 - PRESENT

Design and printing point of sale materials for Grocery stores, Convenience stores and restaurants. Quick turnaround and wide variety of jobs. The most fun jobs are designing large installations for walk-in coolers and cutting vinyl decals.

Graphic Design Intern — Meredith Corporation

May 2018 - May 2019

Worked In the Brand Licensing Department working on presentations and licensed materials for brands like Better Homes & Gardens, Shape Activewear, EatingWell and Better Homes & Gardens Real Estate.

Cook — Tasteful Dinners/Tasteful Catering; Ankeny, IA

2012 - 2020

Started as dishwasher, learned cooking on the job. Besides cooking, duties include; packing and loading vehicles for delivery, making deliveries, setting up food on site, speaking with clients to understand their needs, washing dishes if needed, and closing kitchen at the end of the night.
